Our center was granted 6 hours of technical assistance relating to Family Engagement. Part of the process was filling out the Pre Race To The Top surveys. Christy and our TC Susie have read through them and appreciate the honest feedback we have received. We continue will be working on #4 and #7 looking for ways to improve family engagement. We are also involved with Sarah Agena, MS, RD, a Child Physical Activity & Nutrition Specialist. We will post various ways families can volunteer and assist the children and the staff in an area called: **Healthy Bodies Healthy Minds**. Also a website that has great ideas for healthier families is... <http://nourishinteractive.com/healthy-living/free-nutrition-articles/cathealthy-foods-activities-family-children-articles> There will soon be a post Race To The Top survey to fill out.

Thanks for your patience during our switch onto a new internet server. This has taken a bit of time causing a delay in updated menu and newsletter information. Within the next issue you should see current uploads online.

We have been blessed with a warm fall thus far. Knowing WI weather, snow may be just around the corner. It is time that we ask that each child has a pair of winter boots, snow pants, hats&mittens (suitable for wet snow), and size appropriate jacket (must fit over snow pants and cover all skin areas). Please let us know if you need help providing these items for your child(ren).

**Saturday December 10<sup>th</sup> from 10:00am-12:00 we will be ringing bells for salvation army. Sign-up by the time clock if you'd like to be part of this family engagement opportunity.**

Themes of Turkeys, Families, and Thanksgiving will be explored throughout the building in November. We are certainly thankful for all of our CCCC turkeys!

Please note that if you have not touched base with your classroom teacher (ages 3+) regarding a parent teacher conference, now is the time.

Our garden has produced for us yet again. We are so thankful for the brussel sprouts which will provide enough vegetables for the entire center for one meal and then some-wow!
